

Carcoar Public School

Works notification | 25 July 2023

Dear staff and parents/carers,

We are replacing the vinyl tiles at Carcoar Public School in a storeroom in Building B. This work will involve working with asbestos containing material within the glue under the vinyl tiles.

The storeroom is being safely used at present as the vinyl tiles are undisturbed.

The storeroom will be cordoned off before the work starts, and safety measures and monitoring put in place.

Work to remove the vinyl tiles will take place after school hours between Thursday 10 August and Friday 11 August 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The storeroom will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the storeroom is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
