

# Cessnock East Public School

Completion pack – September 2025

New shade sail

## Welcome to your new sports precinct

We are thrilled to announce that the sports precinct for Cessnock East Public School is complete and now open for students to enjoy.

The \$284.3 million **Australian Government Schools Upgrade Fund** is delivering grants to improve school facilities across the country. These grants are designed to help schools and their students get back on track after disruptions caused by COVID-19. Public schools in NSW have a \$68 million share of the fund for infrastructure projects and facility improvements.

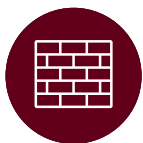

The Cessnock East Public School sports precinct project delivered:

new synthetic sports field designed to Under 11 Football (Soccer) NSW dimensions

more level playing area

sandstone retaining wall

key stormwater management

sandstone seating

shade trees and tree beds

soft fall surface for playground

shade sail for quadrangle

## Message from your principals

How exciting to unveil our sports precinct makeover.

Our new sports field not only looks great but is functional, configured to Under 11 Soccer NSW dimensions. We are already looking forward to seeing the joy and hearing the cheers as our students play on the new field.

The playground has also been improved with a new soft fall surface. Shade has been enhanced with trees planted and a new sun sail installed over the quadrangle.

Our school community knows the importance of outdoor play – it's beneficial for social, emotional and physical wellbeing, as well as just being fun. We are delighted that we have upgraded our outdoor environment to facilitate this.
