

Dungay Public School

Works notification | 2 June 2025

Dear staff, parents, and carers,

Following the works notification [earlier this term](#) regarding drinking water quality test results for Dungay Public School, remediation work has now been completed by a qualified and accredited tradesperson.

Re-testing of the affected tap outlets by an independent hygienist has confirmed the results meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to the tap outlets in the girls' toilets in Building H has now been restored.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
