

# Goonengerry Public School

## Works notification | 13 August 2024

Dear staff, parents and carers,

Further to the [Works Notification on 2 June](#) regarding the drinking water quality test results for Goonengerry Public School, remediation work has been completed by a qualified and accredited tradesperson following advice provided by an independent hygienist.

Re-testing of the affected tap outlets by an independent hygienist has returned results that meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to the tap outlets in the following locations has been restored and can be used again by students and staff:

- practical activities area in Building F
- basin of the boys' toilet in Building E
- basin in the staff toilet in the library.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
