

Gulmarrad Public School

Works notification | 4 September 2025

Dear staff, parents, carers and neighbours,

We would like to provide you with information on upcoming tree trimming work at Gulmarrad Public School.

Tree trimming

An arborist will be trimming various trees at the school along the fence lines on Saturday 6 September 2025 including:

- two eucalyptus trees on the southern boundary of the school
- one lemon scented gum tree on the southern boundary of the school
- several eucalyptus trees on the western boundary of the school.

The trees will be pruned above the school's fence line for any overhanging branches. A large branch will also be removed from one of the eucalyptus trees at the southern boundary of the school. Council permits have been granted for the tree pruning and branch removal.

Working hours

Works will take place between 8 am and 3 pm on Saturday 6 September 2025.

We will ensure works are carried out safely and efficiently to minimise impacts to the community. For the safety of the contractors, please secure your pets and keep them away from the work area during the scheduled work times.

The health, safety and wellbeing of the school and the local community is our highest priority.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
