

# Haberfield Public School

## Works notification | 29 May 2025

Dear staff, parents and carers,

We are replacing the roofs on Block A (administration building) and Block C at Haberfield Public School.

During this work the front entrance of the administration building will be inaccessible and the back entrance will be used as the alternative access point.

Lessons normally held in the Year 3S and Year 4S classrooms will be temporarily moved to demountables while work is underway.

Works are expected to start on Saturday 31 May and be finished by Tuesday 1 July, weather and site conditions permitting.

Work hours will be between 7 am and 5 pm Monday to Friday, and 8 am and 1 pm on Saturday.

Safety measures including temporary fencing, construction site hoarding and signage will be in place while works are being carried out.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
