

Homebush Public School

School holiday works notification – Autumn | 2025

Dear staff, parents and carers,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

Planned work over the Autumn School Holidays

We will be working at your school during the Autumn School Holidays – from the end of the school day on Friday 11 April up to the end of Week 2 Term 2.

During this period, we are installing new fire hydrant lines through the school grounds at Homebush Public School.

Temporary construction fencing will be installed around the various work sites throughout the school for the duration of the works. These works will not impact school operations.

Vacation care parents and staff will access the school through the school's carpark on Burlington Road.

Work hours are between 7:30 am and 5:30 pm Monday to Friday and between 8 am and 1 pm on Saturdays in accordance with NSW Environment Protection Authority construction times.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
