

Jerilderie Public School

School holiday works notification – Spring | 2025

Dear staff, parents, carers and neighbours,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be working at your school during the spring holidays from **Monday 29 September 2025 to Friday 10 October 2025** between 7:30 am to 4:30 pm.

Additionally, work will take place on Saturdays between 8 am and 1 pm on **Saturday 27 September 2025 and Saturday 4 October 2025**, in line with NSW Environment Protection Authority guidelines.

We will be removing old vinyl floor tiles and replacing them with carpet tiles in classroom 6, staff room 1, storerooms 2 and 5, and foyer area 4 in Building D. These floor tiles are known to contain bonded asbestos, as listed in the school's asbestos register.

The affected areas will be temporarily fenced off with appropriate signage.

NSW Health explains that “living or working with asbestos, or just being around it, is a low risk to your health as long as the asbestos is in good condition and not damaged”.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures will be in place while work is being done. All work will be completed by licensed asbestos contractors.

The independent hygienist will be on the school site to inspect the work and confirm that it can be reopened for usual school activities for the beginning of Term 4.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
