

Jiggi Public School

Works notification | 2 August 2023

Dear staff and parents/carers,

We are refurbishing the flooring in a storeroom in Building A and in a storeroom, staff room, and practical activities room in Building D at Jiggi Public School.

As part of this work, asbestos containing vinyl tiles will need to be removed.

The rooms are being safely used at present as the vinyl tiles are covered and undisturbed.

This work will take place on Saturday 19 August 2023. Work areas will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected to ensure they have been fully remediated and the school will receive a clearance certificate before the rooms are reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
