

Jiggi Public School

Works notification | 5 March 2025

Dear staff, parents, and carers,

Following the works notification on [17 February](#) regarding drinking water quality test results for Jiggi Public School, remediation work has now been completed by a qualified and accredited tradesperson.

Re-testing of the affected bubblers by the independent hygienist has confirmed the results meet the requirements of the [Australian Drinking Water Guidelines](#).

Access to the bubblers outside the girls' toilets in Building A has now been restored.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
