

Kandos Public School

Works notification

20 September 2022

Dear staff and parents/carers,

Upcoming works to upgrade the infants toilet block at Kandos Public School will involve working with asbestos containing material in the ceiling and internal walls.

Work will take place between Tuesday 27 September and Wednesday 28 September 2022.

The area will be cordoned off before works start and safety measures and monitoring will be put in place during works. The area will remain out of bounds to students and staff until the removal and associated maintenance work is completed.

This area will be remediated in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure the area has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
