Works notification | 9 October 2023

Dear staff and parents/carers,

We are replacing a cracked window in a classroom in Building D at Kanwal Public School. This work will involve working with known asbestos containing material in the window frame.

The window has been sealed with tape and because the window frames are undisturbed, and the area remains in use.

The window will be repaired on Saturday 21 October 2023. All works involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before works start.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The area will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the area is reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
