

Karang Public School

Works notification | 22 August 2025

Dear staff, parents and carers,

We are designing and building an access ramp and covered walkway into Building D, the block near the car park, at Karang Public School.

The project involves:

- providing a compliant access ramp and covered walkway
- widening some doorways in Building D.

The red rectangle shows the approximate location of the ramp and covered walkway.

We are currently in the design phase, with temporary fencing expected to be installed towards the end of Term 3.

While works are taking place, there will be security fencing with hoarding, safety signage displaying project details and contact numbers, workers wearing personal protective equipment and a site office at the school.

Hours of work are between 7 am and 5 pm Monday to Friday, in line with NSW Environment Protection Authority guidelines.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
