

Kegworth Public School

School holiday works notification | Spring 2025

Dear staff, parents, and carers,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

Planned work which took place over the holidays

We undertook work at your school during the Spring School Holidays – from the end of the school day on **Friday 26 September 2025 up to Day 1 Term 4 Tuesday 14 October 2025**.

During this time, we upgraded the lighting in all classrooms across the school. This involved replacing old fluorescent lighting with new energy efficient LED lighting in all buildings.

This upgrade supports the overall wellbeing of our students and enhances the learning environment for the whole school community.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
