

Kelso Public School

Works notification

29 November 2022

Dear staff and parents/carers,

Upcoming maintenance works to replace the vinyl floor in the canteen area at Kelso Public School will involve working with asbestos containing material in the kitchen, two storage spaces, and a staff office in Block 1.

Work will take place between Saturday 3 December and Sunday 4 December, and Saturday 10 December and Sunday 11 December. All asbestos containing material will be removed outside of school hours and in accordance with the advice of the independent hygienist.

The area has been cordoned off, and safety measures and air monitoring put in place before works start. It will remain out of bounds to students and staff until the removal and associated maintenance work is completed.

Work will be undertaken in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The area will be inspected to ensure the area has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
