

Kempsey West Public School

Works notification | 23 September 2026

Dear staff, parents, carers and neighbours,

We are excited to announce we are installing two modular classrooms on the north-western side of Kempsey West Public School in between the car park and Building C.

These new general learning classrooms will provide the school with improved, modern spaces to better support our students and teachers.

Start of construction

Work to prepare the area and install the classrooms will begin on Friday 16 October 2026.

Construction vehicles will enter the school via Marsh Street and park inside the school grounds. Traffic controls may be used for the safety of students, staff and the local community. Please follow the directions of any temporary signage or traffic controllers. The area will be fenced off while work is being done.

The classrooms are expected to be finished and ready for school use by mid-Term 4.

Managing construction impacts

The safety of the school, visitors and the local community is our highest priority. There may be some noise while work is taking place however we will minimise disruptions where possible.

For more information about how we manage construction impacts, please visit our webpage at edu.nsw.link/ConstructionImpacts or scan the QR code.

Work hours

Work hours will be 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays or public holidays.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding during this important work.
