

Lindfield East Public School

Works notification | 3 September 2024

Dear neighbour,

A recent increase in the dumping of green waste near the fence line and on Lindfield East Public School grounds has created a safety hazard and increased the bushfire risk to our school.

We wish to advise that we will be securing the access gates along the boundary fence between your property and Lindfield East Public School.

The NSW Department of Education can fence off school properties as indicated in the [Inclosed Lands Protection Act 1901 \(ILP Act\)](#). Lindfield East Public School is 'inclosed land' for the purposes of the ILP Act.

By securing the gates, we will provide greater safety and security for our students, staff and the wider community.

The NSW Department of Education will cover the cost of the work. You will not be required to make any financial contribution.

If you have any feedback about the planned work, please contact us on 1300 482 651 or schoolinfrastructure@det.nsw.edu.au by 25 September 2024.

Please note our community phone and email are staffed from Monday to Friday between 9 am and 5 pm.

Following receipt and consideration of all feedback received, we will schedule works to secure the access gates and notify the community.
