

Lisarow Public School

Works notification | 3 September 2026

Dear staff, parents and carers,

During maintenance work at Lisarow Public School, the ceiling panel in the hall movement area in Building A was disturbed.

This area is known to contain bonded asbestos as listed on the School Asbestos Management Plan.

As a precaution, the area was temporarily closed and an independent hygienist was engaged to inspect the site and provide advice.

In line with advice from the independent hygienist, we will conduct a thorough clean of the area on Saturday 5 September 2026.

Following this, the hygienist will re-inspect the movement area and provide clearance for it to be reopened for use.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
