

# Marsden Park Public School

Works notification | 7 June 2023

Dear staff and parents/carers,

We are refurbishing the flooring in a staff change room in Building B at Marsden Park Public School.

As part of this work, asbestos containing vinyl tiles will need to be removed. The room is being safely used at present as the vinyl tiles are undisturbed.

This work will take place between Thursday 8 June and Monday 19 June 2023. All work involving asbestos containing materials will take place outside of school hours.

The staff change room will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. It will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The room will be inspected to ensure it has been fully remediated and the school will receive a clearance certificate before it is reopened to staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
