

# Middle Harbour Public School

Works notification | 14 August 2023

Dear staff and parents/carers,

We are replacing the roof of Building A at Middle Harbour Public School. This work will involve working with assumed lead containing material within the ceiling cavity.

The area continues to be used as the material is undisturbed and the ceiling cavity is sealed and inaccessible to students and staff. Safety measures, monitoring and dust vacuuming will be in place before works start. The area will remain out of bounds to students and staff until the work and associated maintenance is finished.

Work to remove the material will take place after school hours between Monday 28 August and Sunday 3 September 2023.

Work will be done in accordance with SafeWork NSW regulations. All work will be completed in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The area will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the area is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
