

Milperra Public School

Works notification | 30 October 2023

Dear staff and parents/carers,

We are replacing flooring in 3 rooms at Milperra Public School. This work will involve removing asbestos containing material in the vinyl tiles underneath the carpet in a computer room in Building A, a classroom in Building B and a staff room in Building F.

All rooms continue to be used at present as the vinyl tiles are under carpet and undisturbed.

Work to remove and replace the flooring will start on Saturday 11 November 2023. All work involving asbestos containing materials will take place outside of school hours. The rooms will be cordoned off before the work starts, with safety measures and monitoring put in place.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

All rooms will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the rooms are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
