Mona Vale Public School
Works notification | 16 June 2026

Dear staff, parents, carers and neighbours,

We are excited to inform you that we are constructing a new active play area and retaining walls at Mona Vale Public School.

Start of construction

The brand new play area features a range of different elements such as:

- low level balance challenge circuits
- a sandstone yarning circle
- an open cubby stage
- a digging patch
- new gardens with native plants and trees
- tiered sandstone steps for seating
- sandstone retaining walls
- a turf playing field
- a multi-use sports court.

This play area will be built in the southwestern part of the school with construction starting from Wednesday July 1 2026. All work will be completed by the end of Term 4 2026, weather permitting.

Work on this project will include:

- the set up of a secure construction site and establish materials handling area
- construction of a turf playing field
- construction of sandstone block retaining walls
- construction of a new concrete path
- installation of chainmesh fence along boundary of active play area.

Construction vehicles will enter the school via Emma Street and Wangara Street as well as Oliver Street. Traffic control will be used if required for the safety of students, staff and the local community. Please follow the directions of any temporary signage and traffic controllers when in place.

Managing construction impacts

The safety of the school, visitors and the local community is our highest priority. We are committed to minimising disruptions where possible while work is taking place.

For more information about how we manage construction impacts, please visit our webpage at edu.nsw.link/ConstructionImpacts or scan the QR code.
