

Moorland Public School

Works Notification | 4 December 2023

Dear staff and parents/carers,

We are upgrading the demountable toilets at Moorland Public School. This work will involve working with asbestos containing material in the stair treads and landings, the toilet partitions, and internal wall linings.

Work to remove this material will take place on Saturday 16 December 2023. All work involving asbestos containing materials will take place outside of school hours with additional safety measures and monitoring in place before the work starts.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The toilets will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate when complete.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.

For a **Translation and Interpreting Service** call **131 450** and ask them to call the Department of Education - School Infrastructure NSW on **1300 482 651**.
