

Morisset High School

Works notification | 5 June 2023

Dear staff and parents/carers,

We are refurbishing the change rooms in Building B at Morisset High School. This work will involve working with asbestos containing material within the wall partitions.

The change rooms are being safely used at present as the partitions are undisturbed and in good condition and they will be cordoned off before the work starts.

Work to remove the partitions will take place from Saturday 3 June to Sunday 4 June 2023. All work involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before the work starts.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The change rooms will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
