

Moss Vale Public School

Works notification | 6 February 2025

Dear staff, parents and carers,

We completed [asbestos remediation and removal work outside Building A](#) at Moss Vale Public School during the holidays. This included laying new soil and a protective layer of geo-fabric. An independent hygienist has inspected the site and issued a clearance certificate.

All work was done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan.

Safety measures, such as air monitoring were, in place while work was being done.

All work relating to asbestos remediation was completed by licensed asbestos contractors and monitored by independent hygienists.

This area is being converted into a peace garden, that includes a peace pole, crushed granite paths and sandstone blocks for seating.

The work is anticipated to be completed by the end of February 2025.

Temporary fencing will remain in the construction area.

We will keep the community updated.

Thank you for your cooperation during this important work.
