

Narrabeen Lakes Public School

Works notification | 21 June 2023

Dear staff and parents/carers,

We are replacing the carpets throughout Narrabeen Lakes Public School. As part of this work, asbestos containing vinyl tiles located under the carpet of 2 classrooms in Building D will need to be removed.

The classrooms are being safely used at present as the vinyl tiles are undisturbed and under the carpet.

This work will take place between Saturday 26 June and Sunday 27 June 2023. Work areas will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The classrooms will be inspected to ensure they have been fully remediated, and the contractor will receive a clearance certificate before the carpet replacement work can progress.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
