Message from your principal

Welcome to our school.

This term marks a truly special milestone as we celebrate the opening of our newly built school hall.

This project has been a long-awaited journey, and its completion represents the beginning of an important school facility, as well as the resilience, patience and unity of our entire school community.

Our new hall provides a welcoming and flexible space for students, staff and families to come together. It will support a wide range of school activities, including assemblies, performances, celebrations, sporting activities and community events, creating opportunities for our school community to connect and celebrate together for years to come.

We are incredibly proud of what has been achieved and deeply grateful for the patience, support and encouragement shown throughout the building process. The new hall is a wonderful addition to our school and a space that belongs to our whole community.

Thank you for being part of this journey and for helping us celebrate this exciting new chapter in the Nords Wharf Public School story.
