

Perthville Public School

Works notification | 11 August 2023

Dear staff, parents, and carers,

A fire occurred in the electrical box located near the demountable administration building on Friday 11 August 2023.

Students and staff were sent home and no one was injured.

Fire and Rescue NSW and the Rural Fire Service attended the site and extinguished the fire which did not extend beyond the electrical box.

The energy provider has attended the school and, for safety reasons, has turned off the power.

Repair work began on Friday 11 August 2023 to replace the electrical box and the power board to make the school operational for Monday 14 August 2023.

The health, safety and wellbeing of the school and local community is our highest priority, and we will continue to keep the community updated.

If you have any enquiries about the works at Perthville Public School, please contact us on the details below.

Thank you for your cooperation and understanding.
