

Prestons Public School

Works notification | 19 September 2025

As part of the NSW Government's plan to rebuild public education, improvement works are taking place at Prestons Public School to support the long-term functionality of the school facilities.

Temporary relocation of the administration offices

To allow for these works, the school's administration offices will be temporarily relocated to 2 demountable buildings located at the corner of Kurrajong Road and Box Road, just north of the existing Administration Building.

These facilities will remain in place until the improvement works are complete.

A new concrete footpath and accessible ramp will provide access to the temporary offices for staff, students, and visitors.

See map for the location of the temporary buildings.

Temporary building installation

To prepare the site and restrict access to work zones, construction fencing was installed today, Friday 19 September 2025.

From Monday 22 September 2025, contractors will begin site preparation, including installation of footings and plumbing works.

The 2 demountable buildings are scheduled to arrive on Wednesday 1 October 2025, with work to the interior to follow.

Work will be completed in time to welcome staff and students from Day 1 Term 4.

Construction vehicles will access the site via Kurrajong Road, and a mobile crane will be used to safely position the buildings.

Traffic control measures will be in place as needed to ensure the safety of the school and wider community.

Working hours

Work will be carried out during standard construction hours:

- Monday to Friday: 7 am – 6 pm
- Saturday: 8 am – 1 pm

These hours comply with NSW Environment Protection Authority construction guidelines.

The health, safety, and wellbeing of the school and local community is our highest priority. We will keep the community updated as the project progresses.

If you have any questions about this project, you can contact School Infrastructure during business hours on the contact details below.

Thank you for your cooperation during this important work.
