

Prestons Public School

Works notification | December 2025

As part of the NSW Government's plan to rebuild public education, improvement works are taking place at Prestons Public School to support the long-term functionality of the school facilities.

Temporary relocation of the administration offices

On Monday 8 December 2025, the school's administration offices will be temporarily relocated to 2 demountable buildings located at the corner of Kurrajong Road and Box Road, just north of the existing Administration Building.

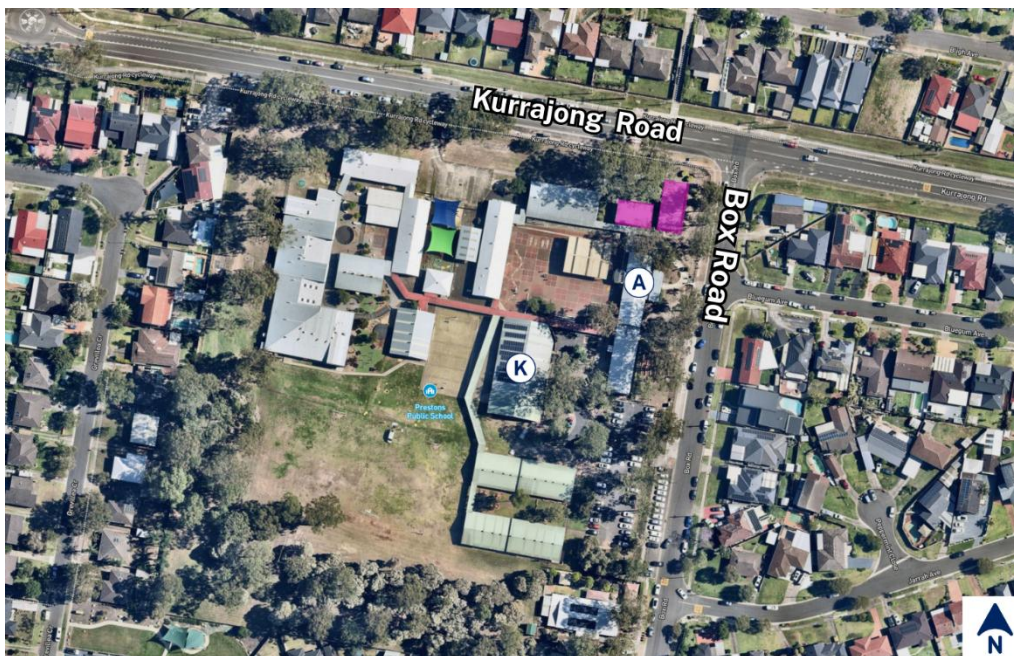

There will be no public or staff access to the existing Administration Building until works are complete.

A new concrete footpath and accessible ramp will provide access to the relocated temporary offices for staff, students, and visitors.

Improvement work – Buildings A and K

School improvement works will start on Building A (administration) and Building K (the hall) immediately following the office relocation on Monday 8 December. We expect to finish the works in early February 2026.

See map below for the location of the temporary administration buildings.

Working hours

From Monday 8 December, school improvement work will be carried out inside and outside Building A and Building K during standard construction hours:

- Monday to Friday: 7 am – 6 pm
- Saturday: 8 am – 1 pm

These hours comply with NSW Environment Protection Authority construction guidelines.

The health, safety, and wellbeing of the school and local community is our highest priority. We will keep the community updated as the project progresses.

If you have any questions about this project, you can contact School Infrastructure during business hours on the contact details below.

Thank you for your cooperation during this important work.
