

Primbee Public School

Works notification | 30 May 2023

Dear staff and parents/carers,

We are replacing the wall sheeting in the toilets at Primbee Public School. As part of this work, asbestos containing material within the wall will need to be removed in Building D.

As a precaution, the toilet are currently cordoned to students and staff. Additional safety measures and monitoring will be put in place before works start.

Work to remove the wall sheets will take place on Saturday 3 June 2023. All work involving asbestos containing materials will take place outside of school hours.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The toilets will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
