Message from your Principal

We are thrilled to announce the completion of an exciting upgrade that has enhanced our outdoor facilities to better support structured play and student wellbeing.

At Rainbow Street Public School, we provide a safe and supportive outdoor environment that encourages positive social interactions and fosters essential gross motor skills, learning, and overall student health. This project has provided our students with new playground equipment designed to engage and inspire active outdoor play.

I would like to sincerely thank our P&C for their assistance in raising funds through the community infrastructure grant scheme. Thank you also to the community - students, staff, parents, carers and residents - for your ongoing patience and support throughout the playground construction period.

We are confident you will agree the transformed space has created a welcoming and vibrant environment for all students to enjoy.

Kind regards,

Mrs Cherie Stone
