

# Redhead Public School

Works notification | 19 May 2023

Dear staff and parents/carers,

We are refurbishing the flooring in the library (Building G) at Redhead Public School.

As part of this work, asbestos containing vinyl tiles located under the carpet will need to be removed.

The library is currently closed in preparation for works. This work will take place on Saturday 20 May to Sunday 21 May 2023. Additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The library will be inspected to ensure it has been fully remediated and the school will receive a clearance certificate before the library is reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
