

# Sans Souci Public School

## School holiday works notification | Spring 2025

Dear staff, parents, carers and neighbours,

The school holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

### Planned work over the upcoming holidays

We will be working at your school with works starting during the Spring School Holidays and running into Term 4 2025.

Planned works include installing a new covered walkway and an undercover drop-off zone for use by support unit students to improve accessibility and safety.

From Monday 29 September we will be isolating the construction zone with 2-metre-high temporary fencing near the southern side of school behind the Administration Building. Temporary support unit drop-off will be managed by the school on the western side of the Administration Building while works are underway.

The Out of School Hours (OOSH) and vacation care service will be operating as usual during the holidays. Vacation care and school activities during Term 4 will not be disrupted by this work, which is expected to be finished by late November 2025,

### Work hours

Work will take place **Monday to Friday between 7 am and 4 pm and Saturday between 7 am and 1 pm.**

We are committed to managing noise in line with regulatory requirements to minimise disruption to the local community.
