

Singleton Public School

Works notification | 19 November 2025

Dear staff, parents and carers,

Following the [works notification from 22 November 2024](#) regarding Singleton Public School, this message is to update you on recent activities.

We previously outlined that a comprehensive heritage inspection of Building B is to be undertaken in 2025.

The heritage inspection was finished earlier this year and did not raise any immediate issues.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
