

Stanwell Park Public School

Works notification | 30 May 2023

Dear staff and parents/carers,

We are replacing the damaged carpet in two clerk offices and the sick bay at Stanwell Park Public School. This work will involve working with asbestos containing material within the vinyl tiles located under carpet in Building A as per the school's asbestos register.

The rooms are being safely used at present as the vinyl tiles are undisturbed and under the carpet.

The areas will be cordoned off before the work starts, and safety measures and monitoring put in place. Work to remove the vinyl tiles will take place after school hours between Saturday 3 June and Thursday 22 June 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The areas will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
