

Swansea Public School

Works notification | 19 May 2025

Dear staff, parents and carers,

Student toilets in Building E and staff toilets in the Administration Building have been closed as they were impacted by the high tide and flooding due to adverse weather at Swansea Public School.

These toilets cannot be used for the time being. Portable toilets arrived this morning for students to use until the impacted toilets can be restored.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your understanding during this time.
