

Tea Gardens Public School

Works notification | 22 March 2023

Dear staff and parents/carers,

Upcoming maintenance works to refurbish the staff toilet in Building A at Tea Gardens Public School will involve working with asbestos containing material in the internal wall, ceiling, and floor linings.

The staff toilet is currently locked and inaccessible. Work to remove the material will take place outside of school hours on Saturday 1 April 2023, with additional safety measures and monitoring in place before works start.

The toilet will remain out of bounds to staff until the removal and associated toilet upgrade work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan, completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The toilet will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the refurbishment works can continue.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
