

Vaucluse Public School

Works notification | 25 May 2026

Dear staff, parents and carers,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We are refurbishing Building E at Vaucluse Public School, including upgrades to the painting, furniture and floor coverings.

During this work we will be removing the wall lining known to contain bonded asbestos as listed on the School Asbestos Management Plan.

Work to replace the wall lining will take place on Saturday 6 June 2026, between 7:30 am and 3:30 pm.

All work with asbestos will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management plans.

Safety measures will be in place and all work will be completed by licensed contractors and inspected by independent hygienists.

If you have any questions about this, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
