

Walgett Community College Primary School Project update | March 2026

Image caption: Front of Walgett Community College
Primary School

Dear staff, parents and carers,

The Walgett Community College Primary School Hall and the Biraleegal Goondi Preschool were damaged by fire in mid-2023.

Progress summary

Following our update in October 2025 regarding the rebuild of the new school hall and preschool, the tender to appoint a construction contractor has now closed.

We are currently progressing through the tender evaluation process to appoint a contractor for the rebuild. This involves a detailed and careful assessment of all submissions to ensure the selected contractor can deliver high-quality work, maintain strong safety standards and complete the project within timeframe.

Next steps

We will share the details of the appointed contractor and the expected completion date of the new buildings with the community in Term 2 2026. Construction is expected to begin in 2026.

More information

You can find more information about the project at [Walgett Community College - Primary School](#).

We will keep the community updated.

If you have any questions about this project, you can contact School Infrastructure during business hours on the contact details below. Please note our community phone and email are staffed Monday to Friday, 9 am to 5 pm.

Thank you for your understanding and support during this important work.
