

Warners Bay Public School

Works notification | 6 May 2026

Dear staff, parents, careers and neighbours,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We wish to advise that we are installing a new boundary fence between the properties on Jones Avenue and Warners Bay Public School.

The NSW Department of Education will cover the cost of the work. Neighbours will not be required to make any financial contribution.

We will not be removing or disturbing the existing timber paling fence. The new Colorbond fence will be installed inside the school boundary in front of the current fence.

Work is scheduled to start on Monday 25 May 2026 and is expected to take 3 days to complete, weather and site conditions pending.

We appreciate there may be some inconvenience caused by these changes. We understand the importance of maintaining positive relationships with our neighbours and seek to balance that with the safety and wellbeing of the school and local community.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.

What makes Warners Bay Public School special?

Warners Bay Public School delivers expertly designed teaching that ensures all students master essential skills with confidence and clarity. Dedicated and passionate staff nurture curiosity, achievement and respect, creating a strong belief in students that they can achieve incredible things.
