

Wauchope Public School

Works notification | 2 June 2026

Dear staff, parents, carers and neighbours,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We are installing additional closed-circuit TV (CCTV) cameras across Wauchope Public School. These cameras are being installed to ensure appropriate coverage and maintain safety. The additional cameras will be across buildings 1, 5, 7, 8, 10, 13, 15, 16, 17 at Wauchope Public School.

Work has already started and should finish by the start of Term 3 2026, weather permitting. Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

As a precaution, the areas will be fenced to restrict access to students, staff and school visitors while work is being done.

For more information on CCTV including how the department uses footage, privacy laws and record keeping, please visit the department's [CCTV – use of closed circuit cameras page](#).

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support during this important work.
