

# Wyong Creek Public School

Works notification | 9 April 2024

Dear staff and parents/carers,

Due to recent hot and humid weather, mould was recently detected in a storeroom connected to the library at Wyong Creek Public School.

The area was isolated and unavailable for use.

A specialist mould contractor inspected and thoroughly cleaned the storeroom and its contents.

Work to remediate the area was completed on Tuesday, 2 April 2024.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
