

Balgowlah Heights Public School

School holiday works notification - Summer | 2024/25

We regularly inspect and maintain schools to ensure the safety and wellbeing of our school communities.

The school holidays are the ideal time for a lot of maintenance and project work to take place across the state without disrupting learning.

Planned work over the Summer School Holidays

We will be doing work at your school during the Summer School Holidays. This period may include from the end of the school day on Friday 20 December 2024 up to the first day of Term 1, Friday 31 January 2025.

As part of planned work, we are replacing the roof of Building E at Balgowlah Heights Public School.

Although vacation care will be running at the school during the holiday period this work will not impact the program. Building E is located away from the vacation care building and will be isolated from students and staff within a construction zone.

This work will involve the removal of old roof material and replacement with new roof material.

Work hours

Work will be undertaken between 6 January to 31 January 2025 during the approved work times of Monday to Friday 7am to 6pm, and Saturdays 8am to 1pm.

There may be some construction noise during this period as well as trucks and contractors accessing the school and construction zone.

The roof replacement work is expected to finish by Day 1 Term 1 2025, weather and other conditions permitting.

The health, safety and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
