

# Belrose Public School

Works notification | 17 October 2023

Dear staff and parents/carers,

We are refurbishing the flooring of the Before and After School Care canteen in Building E at Belrose Public School.

As part of this work, asbestos containing vinyl tiles will need to be removed.

The canteen continues to be safely used as the vinyl tiles are undisturbed and in good condition.

This work will take place between Saturday 21 October and Sunday 22 October 2023, outside school hours. Work areas will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The canteen will be inspected to ensure it has been fully remediated and the school will receive a clearance certificate before it is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
