

New Lambton South Public School

Works notification | 16 March 2026

Dear staff, parents and carers,

We will be replacing the carpet in 2 Building D classrooms at New Lambton South Public School.

The vinyl tiles underneath the carpet in these rooms are known to contain bonded asbestos as listed on the School Asbestos Management Plan.

Work to remove the vinyl tiles and replace the carpet will be done on **Saturday 28 March 2026** between 8 am and 1 pm.

Work will be done under the guidance of an independent hygienist who will inspect and issue a clearance certificate once the work is finished. Safety measures, including air monitoring, will be in place.

All asbestos-related work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed asbestos contractors.

The health, safety, and wellbeing of the school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding and support during this important work.
