School holiday works notification – Autumn | 2025

Dear staff, parents, carers and neighbours,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

Planned work over the Autumn School Holidays

We will be working at your school during the Autumn School Holidays – from the end of the school day on Friday 11 April up to Day 1 Term 2 (Wednesday 30 April).

This work includes removing and replacing asphalt and concrete surfaces around most buildings, fixing drainage in the playground, and upgrading the ground surfaces near the library (H Block) at Narraweena Public School. Upgrades to the children's play equipment will also be completed as part of this work.

Temporary fencing and signage will be installed around the work zones.

The vacation care program will be open as usual.

Work hours

Work hours will be between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday in accordance with NSW Environment Protection Authority construction times.

During the works there may be some construction noise. There will be contractors, machinery and vehicles accessing the school site.

The health, safety and wellbeing of the school and the local community is our highest priority.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
