

# Wallsend South Public School

## Works notification

15 September 2022

Dear staff and parents/carers,

Further to our recent notification (23 August 2022), maintenance works to replace the flooring at Wallsend South Public School in Blocks A and D will continue during the upcoming school holidays.

Work will take place between Friday 23 September and Friday 30 September 2022. All asbestos containing material will be removed outside of school and vacation care hours.

The area will be cordoned off and safety measures and monitoring put in place before works start. It will remain out of bounds to students and staff until the removal and associated maintenance work is completed.

This area will be remediated in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure it has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff for Term 4.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
