

Greenwell Point Public School

Works notification | 1 September 2023

Dear staff and parents/carers,

We are upgrading the verandah awnings in Building B and D at Greenwell Point Public School. As part of this work, asbestos containing material within the eaves will need to be removed.

The areas are currently suitable for occupation as the awnings are undisturbed, but will be cordoned off before the work starts, with safety measures and monitoring put in place.

Work to remove eaves will take place between Saturday 9 September and Sunday 10 September 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
