

Corrimal East Public School

Fencing works notification | 12 September 2025

Dear neighbour,

We wish to advise that we will be replacing the boundary fence between your property and Corrimal East Public School.

We will not be replacing the access gate between your property and the school.

The NSW Department of Education can fence off school properties as indicated in the Inclosed [Lands Protection Act 1901 \(ILP Act\)](#). Corrimal East Public School is 'inclosed land' for the purposes of the ILP Act.

By securing the gate and restricting access, we will be providing greater safety and security for our students, staff and the wider community.

The NSW Department of Education will cover the cost of the work. You will not be required to make any financial contribution.

If you have any feedback about the planned work, please contact us on 1300 482 651 or schoolinfrastructure@det.nsw.edu.au by Friday 3 October 2025.

Please note our community phone and email are staffed from Monday to Friday between 9 am and 5 pm.

Following receipt and consideration of all feedback received, we will schedule works to replace the boundary fence and notify the community.

We appreciate there may be some inconvenience caused by these changes. We understand the importance of maintaining positive relationships with our neighbours and seek to balance that with the safety and wellbeing of the school and local community.

Thank you for your cooperation during this important work.
